ITSAB General Meeting
1/11/13

3:00PM – 5:00PM
UITS 116

Meeting Called by Stephanie Zawada, Vice Chair
Minutes Recorded by Kate Maroney, Secretary

NEW BUSINESS:

1. Green Fund and Student Services fee spoke about their experiences with funding and creating their website. They spoke about the benefits of having a website for transparency and funding proposals, as well as the benefit of having an administrator to take care of back end stuff (website, budget, reporting, etc)

2. Subcommittees - no updates

3. Remote desktop project is working on building a test system, equipment will be ordered soon, expected date for students is February

4. PixelSense meeting with library - the PixelSense will be installed but we still don't know where or how or when, Danelle will make an advertisement to Wildcat, Kate will work with WiCS on programming classes. There was a discussion of what applications to buy and how to get students to use it, as well as a discussion of targeting specific groups (Systems engineering, physio, fine arts). We request that ITSAB members could look at how other universities use the PixelSense or ideas for applications
